

## **NAMI Board Policy #4-2006**

### **Donations to Other Non-Profit Organizations**

#### Goal:

To ensure that the valued funds provided by our members and earned through fundraising efforts are not given to other organizations before being used on NAMI Sacramento programs. NAMI Sacramento as a small 501c3 organization does not have a large annual income and has not implemented all the programs that NAMI National has developed.

#### Policy:

NAMI Sacramento will no longer donate funds to other non-profit organizations as a general rule.

#### Process:

1. NAMI Sacramento will receive solicitations to give money to other non-profit organizations.
2. NAMI Sacramento Executive Committee will review and determine if the solicitation is anything other than request for funds.
3. NAMI Sacramento will inform the soliciting organizations about our policy not to give to other non-profits.
